

It could be you...

- ◆ Almost a quarter of a million taxpayers were the subject of a tax investigation in the 2012-13 tax year.*
- ◆ The number of self-employed people investigated has quadrupled in that time while annual prosecutions have risen sevenfold in three years.*
- ◆ £20.7bn in additional revenue was collected through HMRC's crackdown on tax evasion and avoidance last year.*
- ◆ Each and every tax payer is at risk of a tax investigation regardless of their accountant, the key question is how do you prove your innocence...
